ROGER L. SUNDSTROM,
Principal.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Swanzev:

I have the honor to submit my tenth annual report.

Teachers: Four members of last year's staff resigned at the end of the last school year. Mrs. Eileen Guilbeault left for domestic reasons. Mr. George E. Rollins accepted a principalship in Surry. Mr. Edward A. Fairbanks is teaching in Chesterfield this year. After six years of outstanding service to the schools of Swanzev, Mr. Carroll K. Dunham resigned to enter business.

Six new teachers were with us as school opened in September. In addition to this, there were several changes of positions in our teaching staff. Mr. Roger L. Sundstrom was elected principal of the schools, succeeding Mr. Dunham. Mr. Sundstrom was replaced as eighth grade teacher at the Cutler School by Mr. Charles A. Gilman, a graduate of Keene Teachers College.

Miss Mildred E. Turner, teacher in the seventh grade at Cutler School last year, was transferred to the Mt. Caesar School to teach the fifth and sixth grade combined group. Mrs. Lorraine G. Caswell, a graduate of Keene Teachers College, was elected to the seventh grade position at the Cutler School. Mrs. Caswell left as of January 25. She is being replaced by Mr. David W. Field, a graduate of Keene Teachers College.

Mrs. Dorothy H. Story was transferred from the Mt. Caesar School to take the place of Mrs. Guilbeault at the Cutler School. Mrs. Avis T. Harling, a graduate of Keene Teachers College, was elected third grade teacher at the Mt. Caesar School, replacing Mrs. Story. Mrs. Edith F. Flynn, a graduate

of Keene Teachers College, was elected to the fifth grade position at the Cutler School.

The two positions at the Wilcox School were filled by the election of Mr. Paul A. Lamothe, a graduate of the University of New Hampshire, and Mr. Robert C. Nims, a graduate of Keene Teachers College.

Buildings and Grounds: As of the date of this writing, the two room addition to the Cutler School is approaching completion. It will be most welcome since the present arrangement of having two teachers in different grades using the same room simultaneously is very unsatisfactory. It has been necessary to use the cafeteria for one class at the Mt. Caesar School. This is also an unsatisfactory arrangement.

The School Planning Committee and the School Board are aware of Swanzey's school housing problems. They have held numerous meetings in attempting to arrive at a sensible solution. The immediate needs are felt to be a two room addition at the Cutler School and a two room addition at the Mt. Caesar School. An article to this effect will be inserted in the school district warrant for the consideration of the voters.

The figures in the above table showing possible future enrollments of high school students are undoubtedly too high. They presuppose that no pupils will leave school between grade 8 and 12. They do serve, however, to point up the fact that the

tuition part of our budget will become greater and greater from year to year.

The School Planning Committee and the School Board have held meetings to consider the possibility of a cooperative high school with neighboring towns. The probability of such a school in this area is remote at the moment.

Meetings have been held in Keene to consider the high school problems in Keene and the surrounding communities. Nothing tangible has come from these meetings to date.

Swanzey is faced with increasing enrollments at both the elementary and high school levels. Your School Planning Committee and School Board are endeavoring to plan realistically for these increases. They have worked diligently and given a great deal of their time in the study of our school problems and are to be commended for it.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, the School Building Committee, the School Board, and the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES,

Superintendent of Schools.
